A photograph showing four ripe peaches arranged in a 2x2 grid. The peaches have a reddish-orange hue with some yellow and green mottling, indicating ripeness. They are set against a plain white background.

A photograph showing four yellow apples arranged in a 2x2 grid. The apples exhibit various signs of decay and bruising, including dark spots, reddish-brown streaks, and areas where the skin has peeled or cracked. The background is a plain, light-colored surface.

A photograph showing four apples arranged in a 2x2 grid. The apples are primarily yellow with significant red and pinkish-red blush, particularly on the upper and side portions. They appear to be a variety like Red Gold or similar. The apples are set against a plain, light-colored background.
